network connectivity will be the responsibility of the User. Mohave Community College retains the right to determine the appropriate number of security and staff necessary to properly serve and protect the public.

The Dean of Student and Community Engagement has the ability to determine final charges based on partnerships, agreements, sponsorships, and education value (community and students) related to the proposed event. The Dean of Student and Community Engagement and/or requesting organization/company may appeal to the President by submitting a written request, which should include a summary of proposed charges and facilities use and their reason for a variance. The appeal must be submitted two weeks prior to the event so appropriate investigation and decisions can be made in a timely manner to assist with event coordination.
