Arizona General Education Curriculum (AGEC - B)

Associate of Business (AGEC-B)

General Education Core Requirements

The AGEC-B, a minimum block of 35 credit hours of lower-division general education course work, may be completed at any state of Arizona community college. The approved courses will fulfill lower-division, general education requirements at any state of Arizona university or community college. Students will be required to fulfill the course prerequisites, major requirements, and upper-division requirements specified by each university. This block of courses represents only the general education portion of a degree. See specific programs of study for total credit-hour requirements. Associate of Business degree core courses may not be used to satisfy AGEC-B requirements.
